

# Daddy's Touch

You are always there  
Whenever I'm in need  
What or whom can I compare  
To how carefully you lead

I look into your eyes  
And what is this I see  
It is Jesus sweetly beckoning  
Gazing back at me

**(Chorus) Daddy oh Daddy  
I love you so much  
I'll always be your babygirl  
Who loves to feel her Daddy's touch**

The older that I grow  
The more I realize  
This humble man of God I've come to know  
Is the man who also gave me life

One day when I have children  
Who gaze admiringly  
I pray that I'm as great a mom to them  
As you are a dad to me

**(Chorus) Daddy oh Daddy  
I love you so much  
I'll always be your babygirl  
Who loves to feel her Daddy's touch**

(Bridge) No one in this world  
Can touch me like you do  
A father's love for his little girl  
Is exemplified through you

**(Chorus) Daddy oh Daddy  
I love you so much  
I'll always be your babygirl  
Who loves to feel her Daddy's touch**
