

# Empty

(Intro) gm | Bb | dm | F | gm | Bb | dm | dm |

gm Bb  
I could pursue a life of my own

F  
But following you is all I have known

gm Bb  
I could attempt to chase all my dreams

F dm  
But why bother if you can't share them with me

gm Bb dm gm Bb dm F  
This is not all right So I put up this fight

(Chorus) C2 gm7  
I've spent time I've spent energy

Bb F  
Searching for something to comfort me

C2 gm7  
I've been strong And completely weak

Bb dm  
Screaming and angry and on my knees

Eb F gm Eb F C2 (gm)  
Up against this wall Without you it all feels empty

(Ride) gm | Bb | dm | F | gm | Bb | dm | dm |

gm Bb  
I could traverse the ends of the earth

F  
But without you there it hasn't much worth

gm Bb  
I could retreat and try to escape

F dm  
But where could I go that there isn't this pain

gm Bb dm gm Bb dm F  
And oh it hurts so much That I can't feel your touch

(Chorus) I've spent time I've spent energy

Bb F  
Searching for something to comfort me

C2 gm7  
I've been strong And completely weak

Bb dm  
Reaching and broken and on my knees

Eb F gm Eb F C2 (Eb)  
No further can I fall Without you it all feels empty

(Ride) [: Eb | F | gm | F/A :]

Eb F gm F/A  
(Bridge) I'm longing for home The way that it was You so alive Existing with us

Eb F  
I cannot think of you as a memory

gm C  
But as someone who is And not someone who's been

Eb F  
Yet you are gone You were taken away

gm F/A  
And for what cause? Tell me where is the case?

Eb F  
So I will grieve And feel this great loss

gm C Eb F Eb F  
Proof of my love that was purchased with a great cost Woh oh...

(Chorus) I've spent time I've spent energy

Bb F  
Searching for something to comfort me

C2 gm7

Bleeding and wounded and on my knees
