

# He Came To Me

Lovingly ~ Tenderly ~ Carefully ~ He called to me  
Patiently ~ Quietly ~ Sovereignly ~ He waited for me

Now I am filled with the fullness of Christ  
For His Spirit of Life ~ Abides ~ Inside

**(Chorus)**

**I have seen the mercies of my God  
The fellowship of sharing in His love  
When I was too weak to even come... He came to me**

Fell away ~ From the grace ~ From the face ~ Of my first Love  
I was chased ~ My disgrace ~ All erased ~ Within His love

Now I am freer than ever before  
In His Spirit I'll soar ~ Made pure ~ Evermore

**(Chorus)**

**I have seen the mercies of my God  
The fellowship of sharing in His love  
When I was too weak to even come... He came to me**

**(Bridge)**

No more plight    Take to flight    Child of light  
Through the night    By His might    All in white

I am blessed ~ Righteousness ~ Guides my steps ~ Not forsaken  
At His chest ~ Sweet caress ~ In His rest ~ I awaken

How His goodness is filling my view  
For I was pursued ~ Renewed ~ By Truth

**(Chorus)**

**I have seen the mercies of my God  
The fellowship of sharing in His love  
When I was too weak to even come... He came to me**
