

Leaving It All Behind

(Intro) [: C# d#m7 B F#/A# | g#m7 C# :]

B F#/A# g#m7 F#add2

This is my story This is my song

B F#/A# d#m7 C# (/A#)

A life of glory Long gone

B F#/A# g#m7 F#add2

So much to offer With talent graced

B F#/A# d#m7 C#

Upon the altar It's all placed

C# d#m7 B F#/A# g#m7 C#
Cause all that really matters is that I love you Father and You are pleased

C# d#m7 B F#/A# g#m7
For all that this world offers is nothing next to e—ter—ni—ty

(Chorus) C#sus C# F# g#m7
So I'm leaving it all behind The places that I've been

B C#sus
The life that I have known For I am not my own

C# F# g#m7
So I'm leaving it all behind Releasing all my past

B Badd6/C#
Pressing toward what lasts Reaching for the prize

B F#/A# g#m7 C#
I will leave it all behind

B F#/A# g#m7 F#add2

And I remember The nights so dark

B F#/A# d#m7 C# (/A#)

I bid sin enter In my heart

B F#/A# g#m7 F#add2

I had forsaken The Truth I'd known

B F#/A# d#m7 C#

But I repented And came back home

C# d#m7 B F#/A# g#m7 C#
Cause all that really matters is that I love you Father and You are pleased

C# d#m7 B F#/A# g#m7
For all that this world offers is nothing next to e—ter—ni—ty
